Donation 2018

Thank you very much for offering to make a donation to Southend Musical Festival's funds.

Although all our stewards and committee members work on an entirely voluntary basis, our annual overheads are considerable. Your generous financial assistance will help us to continue to provide opportunities for competitors of all ages and abilities to perform to a live audience, receive instant feedback and valuable guidance from a specialist adjudicator, and return home with a personalised certificate (and possibly a medal) as a souvenir of their participation:

Please return this form with your donation to:-
